

InfiniSky

Architectural Starfields

InfiniSky offers high-quality, custom-made ceiling Domes that show true constellations

with twinkling fiber optic stars, a beautifully hand-painted sky mural and indirect cove lighting on a remote control dimmer, creating a numinous sunset effect.

Our true star color and proprietary twinkling stars make this the most realistic starfield on the market today!

Create an experience ...

... InfiniSky StarDomes™

All StarDomes™ can be customized to recreate any day, time and year for your "Special Day", can include planets, shooting stars and custom colors to match your project.

A unique combination of:
Art, Architecture, Lighting,
Astronomy & Elegance

Our StarDomes™ were created and designed for a turnkey installation and are light-weight, require no assembly ... and they are extremely Energy Efficient, Low-heat (no noise), Patented and UL Approved.

Where are you going to put your
StarDome™?
